NEW RESTRICTIONS - ENTRY TO SPAIN**

Dear Owner,

The Ministry of Health published on the 12th of November 2020, in the Official Gazette of the State a **new regulation about the entry to SPAIN** if you're coming from another country.

The new regulation will come into force next 23rd November 2020 and it establishes the following:

- The new regulation affects both if you're coming by air and by sea.
- Any person coming from the list of countries that you can find attached below will be required to have a **negative PCR COVID-19 test**, done in the last 72 hours before arrival. Other tests will not be valid.
- The document has to be in English or Spanish.
- It's also necessary to fill in a Health Form ("**Formulario de Control Sanitario**" or **FCS** from) that you can find on the web <https://www.spth.gob.es/> or via the app "Spain Travel Health-SpTH". The information is provided in several languages.

- The form is different if you're coming by sea, so please check and review: <https://www.mscbs.gob.es/profesionales/saludPublica/sanidadExterior/ControlHS.htm>
- Also, there will be a temperature test or similar other tests entering Spain. If the temperature is higher than 37.5° C, a health protocol in be activated.
- The list of countries will be reviewed every 15 days.

We'll keep you informed of any updates.
